

BEAUTIFUL BODY

EW-B1
**Enywoman Intensive
Skin Brightening Body
Wash**

This is a liquid gel hydrating wash fortified with Kojic acid and other skin brightening herbal extracts. Our research has found from our volunteers that with liquid wash, darker skin benefit more and response faster with better, brighter and glowing complexion than users of the bar soap. It contains higher concentration of brightening ingredients than that found in the bar soaps. Contains Kojic acid and Arbutin for maximum melanin inhibition. Comes in a coco-butter and Shea butter soap base for long lasting moisturizing effect.

EW-B2
**Enywoman Intensive
Brightening and Firming
Body Crème**

This crème contains the Herbal Extract of Saponin and it is extremely effective as it drives the Active Ingredients deep into the dermal layer. It deactivates melanin process, producing stable clear radiant skin color, and leaves the skin with smooth complexion with no rebound depigmentation.

EnyWoman FACIAL Rejuvenation Set

- Intensive Brightening Facial Cleanser
- Daytime Maximum Skin Corrector
- Nighttime Advanced Skin Repair

EW-A1
**Intensive Brightening
Facial Cleanser with
Crystals of Azelaic**

Experience instant skin restoration, radiance and health with this new intensive skin brightening facial wash that quickly fights discolorations, black spots, acne spots, firms and renews the skin. This product is a professional strength cosmetic skin product that helps with unwanted blemishes, brown pigments, liver spots, sun damage and old dead skin. Contains high concentrations of deep brightening actives that produce radiance and glow. It has been further fortified with extra concentration of azelaic acid, kojic acid and sulphur to create fast shedding of dead cells and unwanted depigmentation.

EW-A2
**Daytime Maximum Skin
Corrector And Brightening
Complex.**

Epidermal Growth factor is the most effective agent used in cell regeneration and growth of new tissue, cell differentiation and cell proliferation, effectively dissolves old scars and lightens the scar pigmented area. It increases fibroblast cell proliferation and rebuilding collagen factors on a molecular level. Guarantee to deliver promise in 6 days of twice a day use.

EW-A3
**Phloretin-Ferulic Anti-Oxidant
Treatment -Brightening and
Firming Night Serum**

A super antioxidant night treatment serum with broad spectrum coverage. Phloretin is hailed for its protection of the skin from free radical cytodamage, UV damage reversal, also inhibits melanogenesis, and resurfaces the skin within 5 days of use. Ferulic acid is a hydroxycinnamic acid, a type of naturally occurring organic compound. It is an abundant phenolic phytochemical ingredient found in plants cell and extremely beneficial to skin rejuvenation and brightening.

BEAUTIFUL EYES

EW-C1
Dark Circle & Puffy Eyes
Eliminator-with Peptide
Eyeseryl

Peptide eye complex is the revolutionary formula that immediately targets Wrinkles, Dark Circles, Puffiness, along with antioxidants that protects the delicate eye cells from oxidative stress factors. Enriched with botanical ingredients, which further enhances micro-circulation for immediate tightening and lifting while protecting the collagen and elastin bundles. Its decongesting effect fights against edema formation, due to poor lymphatic circulation or high capillary permeability. It inhibits collagen glycation, preventing the loss of elasticity, eye bag and dark circle formation.

EW-C2
EnyWoman Daily Vitamin C
Eye Treatment Serum

- Delicate Skin Restoration
- Boosts Collagen
- Boosts Elasticity

A therapeutic treatment for the eye area that delivers anti-aging benefits to maintain the delicate skin's youthful appearance. It brings dull and tired-looking eyes to life by brightening, firming, and restoring delicate skin. With serious doses of nourishment and protective antioxidants, this lightweight, non-greasy formula absorbs easily into the skin to deliver stunning results. It promotes collagen production to boost elasticity and prepares skin to make the most of additional skincare steps.

Pure IGF Premium can be used as an on going preventative and maintenance source for the effects of aging and to achieve tight and firm skin.

EW-D3
Enywoman Professional
Vitamin C 25% - Collagen
Synthesis

Vitamin C has been known and proven as one of the most effective ingredients in collagen synthesis, skin rejuvenation & clarity. L-ascorbic acid is the free form of vitamin C that breaks down after 3 weeks in solution. Our Vitamin C is derived from the most stable donor of L-ascorbic acid called "Magnesium ascorbyl phosphate". This form of Vitamin C is stable even at high temperature & remains potent for up to 3 years in solution. It is compounded up on order to guarantee freshness, potency, effectiveness and quality which signals the skin to speed up its collagen-building process, while hydrating the layers of the epidermis, resulting in a smoother, more youthful appearance. The result is a powerful and synergistic combination of anti-oxidants and collagen boosters to provide maximum anti-wrinkle, anti-aging and skin brightening activity. Dramatically improves tone & texture, diminishes the appearance of fine lines and wrinkles, and imparts a vibrant and healthy glow. Firms, tones, restores elasticity, and diminishes the appearance of fine lines and wrinkles. Offers a superior form of vitamin C that delivers anti-oxidant and emollient benefits, nourishes, and helps repair sensitive or dry skin and improve skin's overall health for a vibrant glow.

INTENSIVE HANDS & FEET RESTORATION

EW-D4
Hands and Feet
Treatment for Hydroquinone
Damaged Skin

Intensive skin treatment only for skin type previously damaged by use of harsh hydroquinone and steroids. This product will help restore health; brilliance and beauty back to damaged skin.
