SWF SKIN VITAMINS

BEAUTY FROM THE INSIDE OUT!

Our exclusive, scientifically manufactured Skin Whitening Fast™ products are hailed as a revolutionary process for effective life transforming skin care results. Our products are not the common run-of-the-mill merchandise found on stores shelves, but are specially chosen, blended and manufactured under strict quality guidelines from our first class US FDA approved laboratory.

A great deal of time and R&D funding has been invested into creating these exceptionally effective skin care products to provide our customers a healthy, clear, well nourished, and youthful skin.

Though the idea was simple enough, the research and development to create such a product was surprisingly extensive. Every possible factor was considered

in creating this revolutionary proprietary formula for our clients. Our exclusive Skin Whitening Fast™ Glutathione Complex is an enhanced nutritional supplement supporting skin whitening, utilizing a high potency Glutathione Complex, 1500 mg per softgel for fast, lasting results. We have also added glutathione to our other products so that our clients can get the full benefit of this exceptional ingredient.

Adding Glutathione to your skin care process will also enable you to:

- Prevent the oxidation (darkening) of existing skin melanin
- Precipitate the shedding/removal of melanin laden skin cells
- Regulate/Reduce pigment production
- Prevent acne and pimples
- Improve skin texture and tone
- Tighten skin pores
- Regularize sleeping habits
- Prevent certain systemic discomfort
- Regularize bowel movement
- Enhance metabolism for maintaining healthy weight

“Glutathione is the body’s master antioxidant and best kept secret to maintaining health.” – Theodore Hersh, M.D., Harvard graduate, Professor of Medicine, Emeritus, Emory University

GLUTATHIONE, the Master Antioxidant, naturally occurs in the body. It helps in detoxification, boosts the immune system, and has cancer preventing properties. One of its more popular benefits is its skin whitening ability. Our Glutathione Whitening pill is uniquely formulated and also includes Vitamin C, and Alpha-Lipoic Acid. The Primary purpose of this pill is to promote good health as well as anti-aging, liver-aid, anti-cancer and very powerful antioxidant. It is also an excellent product for people who desire lighter, acne-free skin.

Proven to restore the skin’s brilliancy, glow and naturally brightened complexion in as little as 6 weeks of twice daily use, this enriched glutathione product gives you smooth, soft, luminous and translucent skin.

As a dietary supplement, we encourage you to make a personal study of each ingredient contained in **this amazingly transformative product.**

Contains a blend of natural super antioxidants, amino acids, glutathione 1500mg, Vitamin C 500mg, Wolfberry Extract (Lycium chinense), Pine Bark extract, Quercetin, fish Collagen, MSM, and other key ingredients rich in bioflavonoids and phytochemical complexes. These ingredients may help inhibit melanin synthesis, restore skin damage caused by UVA/UVB radiation. Contains bioflavonoids and phytochemicals that does not only promise a beautiful, healthy, and youthful skin, but a healthier body as well.

SKIN WHITENING FACE CLEANSER

Our original face brightening cleanser, now improved with the addition of extra ingredients as requested by our Med-spa clients. Contains ingredients such as Glutathione, MSM, Retinoic acid, Giga white, alpha and beta arbutin with triglyceride. Penetrates the skin surface to help inhibit the melanin cells, unclog the pores, kill acne causing bacteria and shrink the pores.

This nourishing facial cream cleanser is not a medical treatment for any health conditions, but helps sweep away dulling dirt, oil, and residue, calms and brightens the skin. With calming marine ingredients, even the most distressed and dehydrated skin will find relief. Contains ginseng extract that purifies the skin eliminating toxins that may cause skin breakout **as well as increasing** energy. Algae extract firms and tightens the skin as you cleanse. Instant result of new skin seen immediately after cleansing.

SKIN WHITENING FACE CREAM

WITH GLUTATHIONE AND KOJIC ACID

This **mega-strength** lightening cream is a super concentrated **and** has been carefully developed to provide maximum benefit. It is gentle to the skin and leaves skin feeling softer and more vibrant.

Using as a dark spot remover, it penetrates deeply into your skin. It's unique skin-lightening formulation with pure plant Arbutin and Kojic Acid works very quickly to lighten your complexion while **additional ingredients** dramatically smoothes and softens to produce the sheen and glow your skin deserves. ALPHA ARBUTIN is an extract of the Bearberry plant. It is a natural double-whitening agent that inhibits the skin's Tyrosinase activity to decrease the formation of melanin and to even out brown spots and skin blemishes.

Because of its gentle but intense formula, it is also recommended on other body parts like neck, underarm, bikini line and elbows.

Recommended for All skin types.
